Re: *Wireless Media Innovations, LLC v. Red Hook Container Terminal, LLC*
Red Hook Container Terminal, LLC v. Tideworks Technology, Inc.,
Case No. 14 CV 4667 (RRM) (CLP)

Dear Judge Mauskopf:

We represent Third-Party Defendant Tideworks Technology, Inc. ("Tideworks") in the above-referenced actions. In accordance with the Court's February 18 Order, Tideworks writes, with the consent of all parties, to update the Court on the parties' pending settlement.

The parties will be filing a voluntary stipulation of dismissal, with prejudice, in the main action as early as today. The third-party action is expected to be voluntarily dismissed, with prejudice, shortly thereafter. Accordingly, Tideworks does not anticipate, at this time, a need to proceed with the pre-motion conference.

We appreciate the Court's patience as these matters are amicably resolved.

Respectfully submitted,

Bracewell & Giuliani LLP
